In the event the parent/guardian cannot be timely reached, the participant may be transported off-site to receive medical treatment.

Experienced athletic trainers will be on hand to treat injuries that may occur during workouts. For serious injuries, participants may be taken to the Utah Valley Regional Medical Center. Athletes are encouraged to begin strength, flexibility, and nutritional training prior to camp to minimize the risk of injury during camp. It is the camp participant's responsibility to follow the trainers' instructions.
