A clean and well-groomed appearance should be maintained. Sport-appropriate performance attire is acceptable during training and practice sessions; tanks/shirts must be worn at all times. Dress standards such as knee-length shorts and shirts with sleeves are enforced in other areas of campus and camp participants should be prepared to change into the appropriate attire as required.

The following are the responsibilities of each participant: Maintain respectful attitudes toward coaches, counselors, and all other individuals; demonstrate proper use of university equipment and facilities; attend camp sessions and activities; follow instructions; respect curfews; dress modestly; refrain from vulgar and profane language; and come prepared to observe the BYU Honor Code.

While cell phones are permitted at camp, participants are required to be respectful in their use of cell phones. Phones should not be used during practice or other inappropriate times. Participants must respect the privacy of others, including being courteous while taking photos and recording videos. Capturing photos and videos in restrooms, locker rooms, or other changing areas is prohibited. Failure to comply with these policies and to be respectful of the privacy of others will result in dismissal.

Due to safety and liability concerns, any participant found in or entering campus construction areas will be subject to immediate dismissal.

FOOD & HOUSING

Campus housing participants will eat **most** meals in the all-you-can-eat cafeteria. Non-housing participants will receive lunch. There is a \$2 replacement cost for lost meal cards. [BYU dress and grooming standards](#) are strictly enforced in the cafeteria; therefore, please remember to bring pants, sweats, or knee-length shorts to wear at mealtimes. Shorts above the knee, swimsuits, and tank tops are not permitted in the cafeteria.

The residence hall room is furnished with linen, bedding, towels, and a pullout drawer for valuables that can be locked (padlock must be provided by the participant). In the event the parent/guardian cannot be timely reached, the participant may be transported off-site to receive medical treatment.

Experienced athletic trainers will be on hand to treat injuries that may occur during workouts. For serious injuries, participants may be taken to the Utah Valley Regional Medical Center emergency room. Athletes are encouraged to begin strength, flexibility, and nutritional training prior to camp to minimize the risk of injury during camp.
